

Sasha

NV Brut

Hundred Tree Hill wines are made at Sally's Paddock from grapes grown in the Pyrenees and Redbank, Victoria, Australia. Hand crafted from estate grown and other local small vineyards in the Pyrenees region, these soft and ready-to-drink wines are characteristic of the Pyrenees. While we make the Hundred Tree Hill range primarily to export, it is also available through Cellar Door.

Tasting Notes

Made in an easy to drink style, this non-vintage brut was named after the youngest member of the Robb winemaking family, Sasha. A Chardonnay/Pinot Style, Sasha is a fresh, elegant wine showing subtle flavours with a long, creamy finish. Additional complexity is gained through malolactic fermentation and lees contact.
