

Sally's Hill

2013 Chardonnay

Estate grown and hand picked from the vineyards surrounding Hundred Tree Homestead on Sally's Hill including the famous Sally's Paddock vineyard. These exceptional varietal wines reflect the wonderful idiosyncratic characters and flavours of Redbank grapes and the unique style of Sally's Paddock wines. Made in small batches, hand punched, wild yeast fermented and basket pressed, these wines truly express the potential of single varieties from our non-irrigated vines, which were planted in 1973.

Tasting Notes

Hand picked from the Pyrenees Hills, these exceptional varietal wines reflect wonderful idiosyncratic characters and flavours of the unique style of Redbank Winery. A blend of classic and modern techniques and styles results in an exquisite interpretation of this great variety. A very fine wine that is great to drink now or will continue to age in the bottle for the next 5 years.
